Dear Mr. Hamdan:

I write to present my compliment and wish to inform you that the Project Brief for the construction and operation of the Kaiha 2 Hydropower Project in Lofa submitted on behalf of your Client, Renewable Energy Agency (RREA) has been reviewed internally by the Agency.

Consistent with Annex I section 6 of the Environment Protection and Management Law of Liberia (2003) number 7 (Energy Industry) you are require to do an Environmental and Social Impact Assessment (ESIA) for such undertaking.

In view of the above, the Agency is pleased to inform you to proceed with the scoping phase as part of the ESIA process. The Scoping report shall describe the following but not limited to:

- The institutional setting of the project;
- The environmental setting of the project;
- Social and economic system;
- Identify project opportunities and challenges.

Please accept the assurances of my highest esteem and consideration as we strive for sustainable environmental Management

Sincerely yours,

Anyaa Vohiri
